

# Northern Virginia Doctors of Optometry invites you to a LASIK Consult Night at our Falls Church Office!

Meet with *our doctors & Dr. Andrew Holzman, LASIK Surgeon at TLC Laser Eye Centers* to find out if you are a good candidate for this life-changing procedure. Special testing will be completed on site.

## Thursday Evening, December 8th

Learn about TLC's affordable financing programs including the  
**24 month 0% interest finance option!**

Bring your calendar to coordinate the best available surgery date!

**Northern Virginia Doctors of Optometry**

7263-E Arlington Blvd, Falls Church, VA 22042

**Call 703-573-1200 to book your free  
consultation!**

---

In the past, we may have spoken about laser vision correction as a way to improve your vision. We believe that laser vision correction is a safe, effective, long-term treatment option for most levels of nearsightedness, farsightedness and astigmatism. As part of our professional commitment to provide you with access to the best eye care possible, our office provides laser vision consultations.
